THERAPISTS

Katherine Butler

B.Ap (Sc) OT, AHT (BAHT),
A.Mus.A (Flute)
CLINICAL SPECIALIST IN
HAND THERAPY

Katherine is one of the few fully Accredited Hand Therapists with The British Association of Hand Therapists and has been working in the specialist area of hand therapy since 1995.

Katherine has a particular interest in performing arts medicine and is currently working on her doctorate in focal hand dystonia.

Lucy Green

B.Sc (Hons) OT
SENIOR HAND THERAPIST

Lucy has worked in the specialist area of hand therapy since 2004, with a focus on plastic surgery, orthopaedics and rheumatological conditions.

Lucy is a keen sports player and is passionate about guiding and supporting sports players to full recovery.

ABOUT US

London Hand Therapy provides specialist assessment and holistic rehabilitation services to anyone with hand, wrist, forearm, shoulder or neck injuries. Hand Therapy is both an art and a rehabilitation science for the upper extremity.

We provide:

- Injury prevention
- Hand and upper limb assessment and treatment
- Postoperative management

TREATMENT

London Hand Therapy offers expert treatment and advice for all upper limb injuries and conditions. Our hand therapists can treat a variety of conditions affecting the hand, elbow, shoulder and spine.

We are covered by all major insurance providers including Bupa, AXA PPP, Simply Health, Standard Life, Aviva, PruHealth, CIGNA, Groupama and WPA.

If your insurance company is not listed here, don't worry, it's likely you will be covered.

Please call us to discuss your requirements.
